

**DIOGELWCH AR-LEIN**

20 Mai 2019

Annwyl Rieni,

Mae wedi dod i'r amlwg bod plant yn trafod a chopio cynnwys ar-lein sy'n peri gofid i ni fel ysgol.

Fel y byddech yn amddiffyn eich plentyn yn y byd go-iawn, byddwch eisiau sicrhau eu bod yn ddiogel ym myd "rhithwir" ar-lein y rhyngwyd.

Er mwyn diogelu eich plentyn mae'r disgyblion wedi derbyn gwersi a chyflwyniadau gan athrawon, disgyblion a'r heddlu. Mae'n ddyletswydd arnoch chi hefyd i wneud yn siŵr bod eich plentyn yn ddiogel ar-lein.

Er mwyn helpu sicrhau fod profiad eich plentyn o'r rhyngwyd mor ddiogel â phosib dylech wneud y canlynol:-

**Addysgu eich hun**

Cymerwch amser i ddysgu am gemau, apiau a gwefannau sy'n boblogaidd gyda'ch plant. Yn sicr, o'r hyn i ni wedi deall yn ddiweddar mae'r peryglon yng nghlwm â Fortnite, Roblox, You Tube yn agoriad llygad.

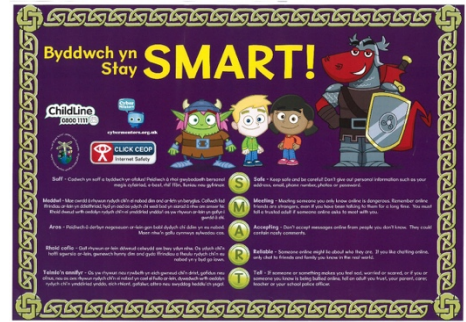

**Siarad â'ch plentyn**

Siarad yn agored ac yn rheolaidd â'ch plentyn yw'r ffordd orau o'i gadw'n ddiogel ar-lein. Cymerwch ddiddordeb yn yr hyn y mae'n ei wneud ar-lein. Efallai y bydd angen sgwrs penodol am ap neu wefan y mae eich plentyn am ei ddefnyddio neu rywbeth rydych yn poeni amdano.

Mae'r ysgol wedi derbyn poster i a gwybodaeth pellach er mwyn eich cynorthwyo, ac mae cysylltiadau defnyddiol iawn ar wefan yr ysgol ac ar safle Trydar yr ysgol. Ewch i <http://ysgolydderwen.cymru/tgch/>

Yn gywir,

Dylan Evans

## **ONLINE SAFETY**

20 May 2019

Dear Parent,

It has become apparent that children are discussing and re-enacting things they are witnessing on-line and as a result their actions concern us as a school.

As you would protect your child in the real world, you will want to make sure that they are safe in the “virtual” online world of the internet.

In order to safeguard your child, pupils have received e-safety lessons and presentations introduced by teachers, fellow pupils and the police. It is also your duty to make sure that your child is safe on-line.

To ensure that your child’s experience of the internet is as safe as possible you should:-

### **Educate yourself**

Take time to learn about games, apps and sites popular with your children. From what we have learned recently, the dangers attached with Fortnite, Roblox and You Tube have been an eye opener.

### **Talk to your child**

Talking openly and regularly to your child is the best way to keep them safe online. Take an interest in what they are doing online. You may need a more specific conversation about an app or website your child wants to use or something you’re worried about.

The school has received further information and posters to help you, and links can be found on the school’s website and Twitter feed. Visit <http://ysgolydderwen.cymru/tgch/>

Many thanks,

Dylan Evans
