Dear Parent,

Thank You!

Thank you very much for all your support over the last year and for your Christmas gifts and greetings to the staff.

We look forward to welcoming your children back to school on Tuesday, **7th of January**.

All Spring term dates and events are on the school website and on the app. **Please** make sure you have downloaded the app and chosen the **relevant year groups** through "settings".

Starter Iaith Gold Award

It was wonderful to hear recently that the school was awarded the Gold Award for the Welsh Language Charter. Many thanks to all involved for their hard work and continued commitment.

Emergency Procedures

If we need to close the school due to adverse weather conditions we will send a message to you via the app and announce this decision on the County's website. We will also inform Radio Cymru.

Mobile Phone Numbers

Please ensure that the school has been updated with new mobile numbers.

Christmas services and concerts

May we take this opportunity to thank all those who supported our Christmas performances again this year. I'm sure the concerts helped get everyone into the festive spirit. £832 was collected towards Tŷ Gobaith and the High Dependency Department at Glangwili Hospital during the Key Stage 2 service, and by year 5 and 6 pupils signing Christmas Carols.

The Christmas Fayre

Many thanks also to all PTA members for organising the Christmas Fayre on the 11th of December. There was a lovely atmosphere in the school hall and we managed to raise over £1300.

On behalf of the staff and pupils, best wishes to you all for Christmas and a Happy New Year!

Kindest regards,

Dylan Evans
